

## Marbella Golf and Country Club

Designed by Robert Trent Jones in the late 80's, the Marbella Golf well established Championship 18-hole course is 6,000 metres long with a par of 72. Marbella Golf has an imaginative and impressive layout and the course challenges professionals and amateurs alike.

Our holes are unique in character and afford views of the azure Mediterranean Sea. The numerous bunkers and lakes have to be successfully negotiated if one is to achieve a good score.

Surrounded by lush green hills and olive trees, Marbella Golf is unique. Beautifully complimenting the natural environment, it encompasses one of the largest green areas left on the Coast.

Marbella Golf has an elegant Club House, excellent bar facilities and a gourmet restaurant with a large terrace, all providing magnificent views of the course, sea and countryside.

The Club also offers amenities such as a Pro Shop, a driving range, tennis courts, catering, conference and event facilities. In addition to our existing wellness area, a gym and spa are being planned for 2008.
